KEEPAD INTERACTIVE "Career QUIZ"

Technology to engage people with - special needs and all age groups

The CDAA WA Division has enlisted the support of modern technology (keepad) for a great way to start the 2010 year of professional development. Career Capers quiz will help you to develop/expand your knowledge of career information. Using "keepad" to record your answers will provide learning about career resources, about the new requirements for professional standards and how to can integrate these into your work in 2010 in a fun and interactive manner. Members will answer questions through a Response Card which provides opportunity for active participation and contribution whilst remain anonymous. Once you

have used this technology you will think of many other situations where it could be used. We would love you to join us for a fun and entertaining start to the 2010 year.

DEFENCE FORCE RECRUITING

Meet the Careers Promotion Team and learn about opportunities for careers in defence.

ANNUAL GENERAL MEETING

Nominations for the WA Division Committee will be presented and a new committee elected for 2010.

Please note that the rsvp date for this event has been extended to Wednesday 17 March.
